Vol. 4, No. 202

July 2019

**FURNITURE** – The Board is considering replacing the chairs and stools on the Centerfire and Rimfire Rifle Ranges. If you have suggestions as to which seating to consider, based on your experience at other ranges, please advise Guy Cooter, [wahoo57@comcast.net](mailto:wahoo57@comcast.net) who is heading the search for suitable seating. Keep in mind that this seating will be exposed to all weather conditions.

**ANNUAL PICNIC– SUNDAY SEPT. 8th– Mark your calendar now!** – Short Sugar's in Reidsville will cater picnic again this year. The menu will include both BBQ and hamburgers, baked beans, slaw, potatoes, rolls, brownies, fresh mixed fruit and beverages. The picnic is FREE for Club members and their immediate families; however, you must reserve your plates so we know how much food to buy. [Click here to contact Lil](mailto:Lil.A@rcgc.club) **BEFORE Aug, 12th at Lil.A@rcgc.club**. If you reserve plates, we will be expecting you. In the last two years the Club has ordered and paid for hundreds of plates of food for people who reserved them, then did not come to the picnic. There will be a Swap Meet from 2:00 until 4:00. Supper will be served at 5:00.

**2019 WORKDAYS** – Turn-out was good for the June 29th Workday. Thank you to each member who participated and especially to those who brought extra help! In spite of the heat, a lot was accomplished. This year's remaining workday dates are: 8/31 and 11/30. There are always chores to be done, like taking trash to a dumpster and mowing, that won't wait for a workday.

**HIGHPOWER** – July 6th was a great day for a Highpower Rifle Match.

See our website for more info. At the end of every match Ken conducts a Free Highpower Rifle training session for shooters from novice to expert. You do NOT need to fire the match to attend. Contact Ken Hyatt with any questions: 336-501-6406 or [ken.h@rcgc.club](mailto:ken.h@rcgc.club)

**EROSION and BERM REPAIR ON the BULLET SIDE** – The Board has approved funding for several major projects including erosion and berm repair on the Pistol and Rifle

Ranges. Work is scheduled to begin the 2nd week of August, weather permitting. Alert Messages will be sent when one or more pits or ranges need to be closed. As always, bring other guns in case the range you intend to use is temporarily unavailable.

**ATTENTION LEAD SCROUNGERS** – You may NOT dig into the berms to harvest lead. You MAY pick it up by hand if it has been washed to the surface. Do Not climb the berms or otherwise disturb the soil.

**SWIPE YOUR ID CARD** – Members must use their ID card to enter or leave the property and wear their card while on Club property so that it is visible to other members. Present your card even if the gate is being held open for a special event or if you are riding in the same vehicle with other members. Pause after you pass through the electric gate for the few seconds it takes for the gate to close. If you are having trouble with your card contact Lil. 336-342-5573.

**PLACE YOUR EMPTY CARTRIDGE CASES IN THE BUCKETS PROVIDED ON EACH RANGE** – We can recycle what you do not want. This includes .22s. We accept brass, aluminum, nickel plated and steel. DO NOT PUT CARTRIDGE CASES IN THE TRASH.

**WE RECYCLE ALUMINUM CANS** – There are blue collection bins in the clubhouse for aluminum cans. Please do not put trash into soda cans or into the collection bins – this includes plastic bottles. To help prevent bug problems, please rinse and drain soda cans before depositing them in the bin. All food scraps and wrapping material, especially if it contained raw meat, must go directly to a dumpster.
