COOL SUMMER HATS – We've just gotten in an order of cool new mesh-back hats in time for hot weather. They come in either light blue or light green denim and have a stylish pre-distressed look. They sell for **\$20** each.

We have only 23 of the solid navy winter style hats remaining. They are **\$15** each.

For a limited time we are offering one mesh hat and one solid hat for only \$30.

MAY WORKDAY – Many thanks to the members who came out to help on the 29th. We were able to accomplish a lot. However, some jobs were left undone for lack of help. We always need help keeping the trash cans emptied, floors swept and restrooms clean. Whether indoors or out, these are jobs each and everyone of you could and should be doing on a regular basis.

JUNE SWAP MEET – Swap Meets are always successful. We hold them early on meeting days in hopes that afterward you'll hang around to shoot a while and then will join us for the meeting. Well, that didn't go according to plan. If you have a suggestion for getting Club members to come to meetings (we only have 2 a year,) please share your thoughts. We had a 50/50 Raffle (won by David Jacobson) and gave away refreshments but even that did not seem to make much difference.

LIFE MEMBER STRIPE – Club Officers and program Directors have red stripes on their ID Cards. About two years ago we added gold stripes to the cards of the Charter Members who founded the Club 37 years ago. The Board has now authorized another color stripe. You will soon be seeing blue stripes which denote Life Members.

All of these people have expressed a deep commitment to RCGC and your 2nd Amendment Right to keep and bear arms. They are dedicated to keeping this Club available for members to practice and maintain their shooting skills for many generations to come. If you have questions or concerns, look for a stripe. We have a handful of members who qualify for more than one color stripe. I think I'll put one color on the front and the other on the back of my card.

Life Members, your new blue stickers will be in the mail within the next week.

2021 ANNUAL CLUB PICNIC – SUNDAY SEPT. 12th –

MARK YOUR CALENDAR NOW.

Watch for more details!

RCGC IS OPEN TO MEMBERS 365 DAYS PER YEAR, unless otherwise announced.

Always check the website before going to the range. Bring other guns in case the range you intended to use is occupied. Shooting is allowed from dawn until dusk. The Club closes at 10 PM. This is a volunteer organization. We need every member's help to maintain what we have for all of our members to enjoy.

SWIPE YOUR ID CARD. Members must use their ID card to enter and to leave the property and must wear their card while on Club property so that it is visible to other

members. Present your card to the reader even if the gate is being held open for a special event or if you are riding in the same vehicle with another member. Pause after you pass through the electric gate for the few seconds it takes for the gate to close. If you have trouble with your card, contact Lil at 336-342-5573.

READ ALL OF THE SIGNS FOR THE RANGE YOU ARE USING. We have encountered a number of members recently who were shooting a weapon on a range where it is prohibited. The members claimed they didn't know that they were in violation and were surprised when asked to read a sign they had walked past. The rules are for your safety and will be enforced. **ALL Shooting on the Centerfire Rifle Range and the Rimfire Rifle Range must be done from the firing line shelters.**

ON THE PISTOL AND RIFLE RANGES you must remove your targets and pick up your empty cartridge cases. Targets larger than a standard piece of copy paper should go into the dumpster. Put your empty cartridge cases in the containers provided.

Return any equipment you used to its proper location.

Your visit to the Club is not over until you clean up after yourself.

ALUMINUM CANS – There are blue collection bins in the clubhouse for Aluminum soda cans. Please do not put TRASH into soda cans or into the collection bins. Please do not put plastic bottles into the collection bins. To help prevent bug problems, please rinse and drain soda cans before depositing them in a blue collection bin. Aluminum foil is not acceptable.

ATTENTION LEAD SCROUNGERS you may NOT dig into the berms to harvest lead. You MAY pick it up by hand if it has been washed to the surface. Do Not climb the berms or otherwise disturb the soil.

GOLF CARTS ARE FOR USE BY MEMBERS. Only licensed drivers may operate them. Always return the carts to their proper storage locations and follow the printed instructions to see that they are recharged for the next user.
