**GENERAL MEETING for all members.**

**Sunday June 5th at 3PM.**

\*\*\*\*\*

Saturday May 7th was a very busy day at RCGC. Here is an aerial view of the 2022

Annual NC Trap Championship Tournament in full swing. Festivities were opened with the National Anthem, recorded by Evalyn Sudderth from Boone, heard clearly by everyone over the new PA System installed by Fred Redmon and Mark Spoon. 18,200 targets were thrown for the largest shooting event RCGC has ever hosted. There were 85 singles, 44 handicap and 53 doubles shooters. Our thanks to the many Club members who volunteered and helped by judging, scoring, moving targets, moving in extra porta-johns, bringing extra water when the well was pumped dry. Special thanks to everyone who worked tirelessly before, during and afterwards to mow, pick-up, clean-up and take care of all the odd jobs making this a huge success.

**ELECTRONIC GATE WOES** – Beginning on about Monday May 16th after a heavy rain storm the exit-side card reader for the main gate began to act erratically. For about a week and a half gate technicians worked to determine and fix the problem. Internal parts were replaced at least twice. As soon as we thought it was repaired, it stopped working again.

**STOP THE BLEED** – Did you know that “bleeding out” from a severe wound can occur in from 1 to 5 minutes? That is often much less than 911 response time. Do you know what to do until a higher level of help arrives? John Deane and Tyler Cox, two highly qualified Club members, will hold a free class in Trauma First Aid and the proper use of a tourniquet. This class is not for certification, but rather to teach you how to “stop the bleed” in an emergency. You will be shown when and how to use a tourniquet and you’ll have the opportunity to practice, giving you the confidence to save a life. You are invited to participate in the next class on Sunday, June 26th, from 2:00 to 3:30PM be in our big meeting room. Space is extremely limited. You must make reservations. Contact Tyler at [tylerbcx92@gmail.com](mailto:tylerbcx92@gmail.com). Let him know that you are a club member. If the class fills up, you will be put on a waiting list for the next available class. The Board of Directors recommends this class. John and Tyler have agreed to continue to hold them until all interested Club members have been trained.

**SAVE A LIFE**

**READ ALL OF THE SIGNS FOR THE RANGE YOU ARE USING.** Pay extra attention to the kinds of ammunition allowed and prohibited on each range. **The rules are for your safety and will be enforced.** ALL Shooting on the Centerfire Rifle Range and the Rimfire Rifle Range must be done from the firing line shelters.

**BOXES and CARTONS MUST BE FLATTENED** before you place them in a dumpster. **ON THE PISTOL AND RIFLE RANGES** you must remove your targets and pick up your
